PURPOSE

The DeKalb County Board of Health (DCBOH) is seeking proposals for a limited number of community outreach projects to increase DeKalb County's COVID-19 and flu vaccination awareness and vaccination rate. COVID-19/flu vaccinations are one of the most effective tools we have to fight these illnesses. The flu and COVID-19 vaccination rate is especially low among certain racial and ethnic groups making these groups at risk for serious illness from COVID-19 and the flu.

OVERVIEW OF CONTRACT FOR LEAD DEKALB INITIATIVE

The DeKalb County Board of Health (DCBOH) Health Assessment and Promotion Department (HAP) created the Local Efforts towards Addressing Disparities in DeKalb (LEAD DeKalb) initiative. This initiative aims to improve health, prevent chronic disease, and reduce health disparities in DeKalb County. The LEAD DeKalb program is funded by the Centers for Disease Control and Prevention (CDC) as part of their Racial and Ethnic Approaches to Community Health (REACH) program. The DCBOH has received the REACH grant for a third 5-year term, with a current performance period of September 2023 through September 2028.

The DCBOH and its partners collaborate to implement tailored, community-based, participatory initiatives that (1) improve the nutrition, physical activity, and weight management among the African American and Latinx populations in target census tracts and (2) increase vaccine uptake among African American and Latinx populations in priority ZIP code areas.

As part of the LEAD DeKalb program, the following health-focused initiatives will be implemented throughout DeKalb County:

- Nutrition
- Physical Activity
- Family Healthy Weight Program
- COVID-19, Flu, and Other Adult Vaccines

The funding source aims to increase the adult vaccination rate, increase access to vaccination opportunities, and spread adult vaccination awareness. The community outreach projects prioritize service to underinsured and uninsured persons through routine adult vaccination efforts for COVID-19, flu, shingles, pneumonia, HPV, and Hepatitis B.

REACH LEAD DeKalb will equip, educate, and empower influential messengers in the community to support vaccine education and delivery. Each mini-grant recipient will be trained as a trusted messenger

to assist with increasing vaccination confidence in DeKalb County. A train-the-trainer model will be utilized to train the mini-grant recipients and other trusted messengers during the contract term.
