

MOBILE FOOD SERVICE UNIT APPLICATION PACKET

Mobile food service unit means a trailer, pushcart, vehicle vendor or any other similar conveyance operating as an extension of and under the managerial authority of the permit holder of its permitted base of operation. The mobile food service unit and its permitted base of operation together make a mobile food service establishment.

Food vending location means a fixed property location where a mobile food service unit or extended food service unit parks to offer its food products to its consumer or a route along a street that a mobile food service unit travels and periodically stops, at predetermined dates and times, to offer its food products to its consumers. The established boundaries of a City, County, the State of Georgia, or any combination thereof, shall not be used to define a food vending location.

511-6-1-.08(1)(f)4

The base of operation or fixed food service establishment used as a base of operation for mobile food units and extended food service units shall be constructed and operated in conjunction with the mobile food service unit or extended food service unit under the active managerial control of a single permit holder to be in compliance with the requirements of this Chapter.

Please note that for name of base of operation and base of operation owner, the name of the business and ownership as it appears or will appear on the food service permit for the base of operation should be entered.
