LOCATION: Richardson Health Center

DIVISION/DEPARTMENT: Environmental Health

SALARY INFORMATION: \$65,843.44 Annually / Pay Grade N / Job Code RCM010

DUTIES: Under broad supervision, performs district wide duties in managing Division of Environmental staff which consists of specialized EH workforce performing regulatory functions such as monitoring, engineering design review, permitting, inspecting, budgeting, grants and contract oversight, administrative action investigations, enforcement actions, public participation in the regulatory process, fee program administration, inter-governmental agency coordination, training, program planning and evaluation and other related tasks for the DeKalb Public Health of Health Division of Environmental Health. Assists with the development and implementation of policies and procedures governing food service swimming pools, on-site sewage management, water quality sampling and testing, tourist accommodations, body crafting, conducting home environmental surveys (i.e. Radon, lead) rabies control, emergency preparedness and other environmental issues. Functions as technical expert to staff and others including federal, state, counties, municipal and industrial officials, consultants and the public. Provides technical training to other professional staff and the public.

MINIMUM QUALIFICATIONS: Bachelor's degree in environmental sciences, biology, chemistry, geology, engineering (agricultural, chemical, civil, environmental, mechanical, or sanitary) or a related field from an accredited college or university and four (4) years of professional experience in environmental enforcement, environmental health, environmental monitoring, environmental protection or environmental research, which includes one (1) year in a managerial or supervisory role.

Note: An equivalent combination of knowledge, education, job or intern experience, training, or certifications that provides the necessary knowledge and skills to successfully perform the job at the level listed may be substituted year-over-year.

PREFERRED QUALIFICATIONS: In addition to the minimum qualifications, preference will be given to applicants who experience coordinating, investigating, and/or analyzing investigations of foodborne illness outbreaks or other disease outbreaks.

With three to five years of professional level environmental health service program planning, evaluation, professional level experience in work related area or a current registration as a Registered Environmental Health Specialist or Registered Sanitarian by the National Environmental Health Association in (NEHA) or the recognized credentialing board of a state or country having equivalent standards as NEHA. Strong competencies in the areas of oral and written communication, interpersonal skills, teamwork, leadership, and planning the evaluation skills are also desired.

NOTE: Thank you for your interest in DKPH. Due to the volume of applications, we are unable to provide application status by phone or email. All qualified candidates will be considered but may not necessarily receive an interview.

Selected applicants will be contacted for next steps. Applicants who are not selected will not receive notification. We have the right to close any position at any time for any reason.

Employment with DeKalb Public Health is not complete or official until applicants meet all pre-employment requirements. Requirements for this position may be subject to: Pre-Employment Drug Screening, Criminal Background Check/Fingerprinting, Previous Employment Reference Check, Specific Immunizations, Motor vehicle check, and/or Education and/or Licensure verification.
